

## Your Benefits

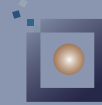

Blueprint Realty is a licensed real estate brokerage firm operating across North Texas. Our firm is dedicated to providing a business model where agents have the best opportunity for success in the real estate industry. Blueprint's unique position of providing agents with the best business model along with the right technology tools allows maximum effectiveness, productivity, and profitability!

**Freedom and Flexibility.** Our agents essentially run their own businesses. There are no requirements for mandatory office time or telephone duties. Additionally, there are no mandatory meetings at the firm. You have the freedom to set your own business development schedules either on a full-time or part-time basis.

**Maximum Profitability.** Our agents are given the maximum profitability business model. Agents have the opportunity to earn 100% commissions on transactions by paying a small monthly fee and a nominal transaction fee. Your earnings are unlimited along with encountering one of the lowest overhead expenses in the industry.

**Superb Broker Support.** Our agents have the opportunity to receive coaching from our very experienced Broker. You can get the answers to your questions almost on a real-time basis or via email. Additionally, there are numerous opportunities to schedule one-on-one sessions with the Broker.

**Great Technology Solutions.** Our agents are provided with a free webpage that highlights their sales and marketing experience along with any of their specific residential or commercial listings. Also, Blueprint provides technology that allows agents to respond to client requests much faster than the competition. The overriding benefit of the technology is to drive greater client satisfaction leading to customer relationships for life!
